Ryan Matthews is an inspirational speaker, best selling author and decorated veteran who trained elite Army K-9s and then became a civilian dog-trainer using his proven formula to train over 3,000 dogs. He earned almost \$1,000,000 in 2½ years. As a workaholic; his success was plagued by the effects of a childhood trauma and PTSD. At age 30 he was diagnosed with multiple, life-threatening conditions.

After a near-death experience, he felt like a failure. He decided to transform himself and share his story to help others thrive.

Author of *The Canine Connection* and *The Art of Dog Training*, Ryan mission in life is to share his gifts and talents to positively transform the lives of others. His TEDx talk is called "Overcoming PTSD with Dog Training Techniques."
